

Dedication. Development. Success.

Professional Certification from ICB

Benefit You, Benefit Your Bank

Become even more of a marketable professional and gain the skills and knowledge most desired in select areas.

Know the latest industry laws and regulations and be one of the banks to show commitment to superior service.

ABA's Purpose for Certification:

- Establish a recognized standard of knowledge and competency for the financial professional.
- Formally recognize those who meet these standards.
- Provide employers and clients with a tool to identify skilled, knowledgeable professionals.
- Support the benefits of professional continuing education and development.

Meeting the Requirements:

- AIB/ABA Instructor-Led Online Prep Courses
- AIB/ABA Self-Study Courses
- AIB/ABA Self-Paced Online Courses
- AIB/ABA In-Person Events/Courses
- Earning AIB Diplomas
- Attending ABA Conferences and Schools

Meet all the requirements through Southeast Regional Center for Financial Training.

Visit <http://cft-flsc.org/> to find the course schedule.
